RE: Cleveland Monitoring Team — February 2018 Invoice

I. INTRODUCTION

This document, and its attachments, represent the invoice of the Cleveland Monitoring Team (the “Team”) invoice for services rendered while monitoring implementation of the Settlement Agreement in *U.S. v. City of Cleveland*.

The Team’s invoice for services rendered in February 2018 totals \$75,988.21. The bill accounts for 483.3 hours of time worked on the Cleveland monitoring project from February 1, 2018 through February 28, 2018. Of this time, 118.3 hours were *pro bono*, e.g. unbilled and donated to the City of Cleveland. The Team’s billing of more than 30 percent of its time for February 2018 as *pro bono* time saved the City \$29,575.00.

From the Team’s appointment on December 1, 2015 through February 28, 2018, over 42 percent of the Monitoring Team’s time has been donated as *pro bono*. Team members do not bill for travel time, which provides additional savings. All activity operates within the confines of the total,

five-year budget cap of \$4.95 million to which the City, Department of Justice, and Court agreed in December 2015.

Activities, work, and tasks conducted during February 2018 included but were not limited to:

- Continued, ongoing review, discussion, and provision of technical assistance regarding required plans addressing:
 - Community and Problem-Oriented Policing (“CPOP”);
 - Staffing;
 - Recruitment and hiring; and
 - Equipment and resources.
- Continued, ongoing discussion with Parties regarding expectations for upcoming training in 2018 addressing:
 - Search and seizure;
 - Bias-Free policing;
 - Supervision;
 - Use of force;
 - Crisis intervention; and
 - Targeted training for specialized assignments/units.
- Technical assistance, redlining, and drafting of new policies, processes, procedures, and structures relating to:
 - Reporting misconduct;
 - Anti-retaliation;
 - Investigatory stops and arrests;
 - Searches;
 - CPD’s forthcoming Bureau of Compliance (“BOC”);
 - Supervisory response to use of force incidents;
 - Investigation and review of force incidents by Division chain of command;
 - Investigation and review of force incidents by a new Force Investigation Team (“FIT”);
 - Review and analysis of use of force incidents by a new Force Review Board (“FRB”);
 - Investigation of internal misconduct by Internal (“Internal Affairs”).
- Ongoing discussions and coordination with individuals fulfilling Data Analysis and Coordinator role within CPD and monthly Administrative “COMPSTAT” meeting regarding status of outstanding administrative and internal investigations and functions;
- Continued coordination with and technical assistance to City and CPD officials on outcome measurements and assessments;
- Ongoing technical assistance regarding general Consent Decree project management and implementation, including ongoing maintenance of project management accountability mechanisms;
- Revision and refinement of report on Consent-Decree-required officer focus groups;
- Continued, ongoing technical assistance to the Office of Professional Standards (“OPS”), including regular status calls with stakeholders and real-time review of civilian complaint investigations;

- Ongoing technical assistance to Police Review Board (“PRB”) regarding review and adjudication of civilian complaints, including business practice review and development; provision of ongoing internal training; assistance in implementing PRB Manual, and regular, ongoing attendance of PRB meetings;
- Ongoing communication and collaboration with Court, City, CPC, CPD, DOJ, MHRAC, police officer organizations, and community groups and organizations; and
- Revisions and discussions with parties of third-year implementation/monitoring plan.

III. INDIVIDUAL INVOICES & SUPPORTING DOCUMENTATION

The remainder of this document provides the individual invoices of all Team members, as well as receipts for travel, transportation, and accommodations.

The City and Monitoring Team have agreed that Team members who elect to be compensated for meals and personal expenses incurred while traveling to Cleveland for work on the project will do so on the standard, federal scale, with fractions of days rounded to the nearest quarter-day. (Thus, for instance, flying to Cleveland at 4:00pm and staying through the end of the day would be compensated for the half day of \$34.50.) Some Team members have waived their *per diem* charges, or elected to receive them only for some but not all days while traveling to Cleveland. This constitutes an additional, ongoing savings to the City of Cleveland.

Finally, some Team member invoices or bills may contain reference to meals or other costs for which the Team is not seeking reimbursement from the City. In some instances, those items have been redacted by the team members. In others, the un-billed charges as part of a bill that con-

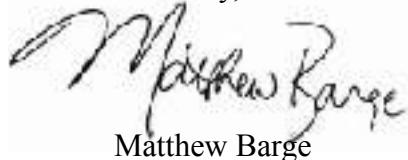

tains billed charges are subtracted from the total. In these instances, the arithmetic should be clear.

IV. CONCLUSION

We submit this invoice for approval by the Department of Justice and City of Cleveland. Upon receiving such approval, we will submit the invoice to Judge Solomon Oliver for his review and approval.

Please do not hesitate to contact us for any reason whatsoever.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Barge".

Incorporated terms may include, but are not restricted to: 1. Rules and limits on liability for personal injury or death, 2. Rules and limits on liability for baggage, including fragile or perishable goods, and availability of excess valuation charges, 3. Claim restrictions, including time periods in which passengers must file a claim or bring an action against the air carrier, 4. Rights on the air carrier to change terms of the contract, 5. Rules on reconfirmation of reservations, check-in times and refusal to carry, 6. Rights of the air carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of alternate air carriers or aircraft and rerouting.

You can obtain additional information on items 1 through 6 above at any U.S. location where the transporting air carrier's tickets are sold. You have the right to inspect the full text of each transporting air carrier's terms at its airport and city ticket offices.
