| Slide 1 | Welcome · The Cleveland Division Training Section welcomes you to 2022 In-service training · Please sign in and take your seats | **Instructor notes:** Welcome everyone to CDP's integrated reality-based training, ensure everyone has signed in the appropriate sign in sheet. Ensure only officers who are on the sign-in sheet and have completed the preload are in class If officers have not completed the pre-load, they shall be removed from class

Instructor says: Welcome everyone to scenario-based training. At this point you should not have any live weapons on you. If you discover a weapon, please notify a Training Section Instructor. Everyone is expected to be a safety officer. If you see any live weapons or anything unsafe, please stop the training. The words "STOP TRAINING" is the keyword to stop all activity. The scenario is over or there is a safety violation. |

Slide 2	Safety Check — You should have no live weapons on you. If you discover a weapon on you or another officer, please notify an instructor	**Instructor says:** safety is everyone's responsibility. Everyone, check right now that they don't have any weapons on or about your person.
Slide 3	Pre-Test — You will complete a 20 question test based on the following policies: ➢Use of Force ➢Search and Seizure ➢Bias Free Policing	**Instructor notes:** Pass out the pre-test to all members present at the training. **Instructor says**: Please put your name, badge and assignment on the top of the page. You can begin to take the pre-test. After everyone is complete, an instructor will grade it and we will go over it at the end of the day (posttest)

Slide 4		**Instructor says**: This is the course schedule for the day. We will be rotating you through 3 scenarios. 2 scenarios before lunch and 1 scenario after lunch. We will have a post-test and debrief at the end of the day.
Slide 5		**Instructor says:** Training expectations You are expected to take an active role in training and fully participate you will get the most out of the training and help you understand the concepts if you take an active role Class participation is mandatory If you see any observers, they will not disturb the training, please ignore them

In the Slide 4 image, the schedule table shows:

Time	Description
	Introduction and pretest
	Scenario Module
	Scenario Module
	Weapon exchange
	Lunch
	Scenario Module
	Post test and debrief

In the Slide 5 image, the Expectations slide shows:
- Participation is mandatory and part of your final assessment
- You will get out of it what you put into it
- Treat everyone with respect and professionalism
- If there are observers to the training, ignore them

Slide 6	**Lunch and Breaks** • All groups will return to the main classroom and be dismissed for lunch as a group • You will be given time between scenarios for restroom, phone calls etc	**Instructor says:** When the first two scenarios are complete, all officers will return to the main classroom and complete a weapons exchange. We will be dismissing everyone for lunch at the same time. When you return from lunch, do not leave any weapons in your car or handle weapons.
Slide 7	**Questions**	**Instructor note:** Answer any questions student officers may have. **Instructor says**: The Training Section has two AEDs in both main buildings and any first aid equipment that you might need. If an injury happens during training, please notify a Training Section Supervisor.
