RE: Cleveland Monitoring Team — October 2021 Invoice

I. INTRODUCTION

This document, and its attachments, represent the invoice of the Cleveland Monitoring Team (the "Team") invoice for services rendered while monitoring implementation of the Settlement Agreement in *U.S. v. City of Cleveland*.

The Team's invoice for services rendered in October 2021 was \$50,344.31 . The bill accounts for 305.4 hours of time worked on the Cleveland monitoring project from October 1, 2021 through October 31, 2021. Of this time 47 hours were *pro bono*, e.g. unbilled and donated to the City of

Cleveland. The Team’s billing of over 20 percent of its time for October 2021 as *pro bono* time saved \$11,750.00.

Team members do not bill for travel time, which provides additional savings. All activity operates within the confines of the total, five-year budget cap of \$4.95 million to which the City, Department of Justice, and Court agreed in October 2015. The budget for year six is \$794,000.00, which the monitoring team invoicing is well within.

Activities, work, and tasks conducted during October 2021 included but were not limited to:

* Ms. Bretz, the Monitoring Team Coordinator, bills at a rate of \$40/hour on the Cleveland project.

III. INDIVIDUAL INVOICES & SUPPORTING DOCUMENTATION

The remainder of this document provides the individual invoices of all Team members, as well as receipts for travel, transportation, and accommodations.

The City and Monitoring Team have agreed that Team members who elect to be compensated for meals and personal expenses incurred while traveling to Cleveland for work on the project will do so on the standard, federal scale, with fractions of days rounded to the nearest quarter-day. (Thus, for instance, flying to Cleveland at 4:00pm and staying through the end of the day would be compensated for the half day of \$34.50.) Some Team members have waived their *per diem* charges or elected to receive them only for some but not all days while traveling to Cleveland. This constitutes an additional, ongoing savings to the City of Cleveland.

Finally, some Team member invoices, or bills contain reference to meals or other costs for which the Team is not seeking reimbursement from the City. In some instances, those items have been redacted by the team members. In others, the un-billed charges as part of a bill that contains billed charges are subtracted from the total. In these instances, the arithmetic should be clear.

IV. CONCLUSION

We submit this invoice for approval by the Department of Justice and City of Cleveland. Upon receiving such approval, we will submit the invoice to Judge Solomon Oliver for his review and approval.

Please do not hesitate to contact us for any reason whatsoever.

Sincerely,

Hassan Aden
Monitor
